NOTES: FEES PAYMENT FOR ASSESSMENT FOR ADMISSION & REGISTRATION

- A.** The Professional Engineers Registration Board (PERB) uses the Institution of Engineers PNG Inc (IEPNG) Board's assessment procedures to approve Membership to IEPNG and Registration to PERB. The Registration and Membership requirements are identical and there is no provision for an Engineer to be registered without becoming a Member of the Institution. Any person involved in any related engineering work in PNG MUST be registered with PERB and MUST be a Member, Fellow, Honorary Fellow of IEPNG. It follows that all Registration Fees are inclusive of Membership Fees and vice versa.
- B.** The classifications/categories of Members paying Membership Fees ONLY and no Registration fees are as follows: Graduate Members, Technicians, Companions or any Member, or Fellow, who is residing overseas and not involved in any Engineering work related to projects etc in Papua New Guinea.
- C.** This fee applies to those non-citizens who are only applying for registration now, although they have been in the Country for more than 3 months and have been working in engineering related activities during their stay in Papua New Guinea.
- D.** Honorary Fellow Category pay Registration Fees only if the person is actually performing engineering and related work both in PNG or abroad on PNG Based Engineering Projects.
